Chapter 11, Subchapter V

DECLARATION OF ROSS LARSON CERTIFYING RECORDS PURSUANT TO
FEDERAL RULE OF EVIDENCE 902(11)

STATE OF MINNESOTA)
) SS
COUNTY OF DOUGLAS)

Ross Larson, pursuant to 11 U.S.C. § 1746, hereby certifies as follows:

1. I am over 18 years of age, of sound mind, and otherwise competent to make this certification. I am a CPA and am employed by Central Specialties Inc. ("Central") as its Vice President and Chief Financial Officer, and have been employed by Central for 5 years.

2. The evidence set out in this Declaration is based on my personal knowledge and, if called as a witness, I could and would competently testify to the matters set forth herein based on my personal knowledge. In my capacity as a representative of Central, I am familiar with Central's process of contracting with drivers to haul loads of asphalt millings for road construction, parking lots, etc., and regularly review of Rental Time Slip forms (*i.e.*, "Tickets") submitted by drivers for payment in the course of my duties. My certification herein is based on my service as a representative of Central.

3. As a full-service general road contractor, Central provides asphalt paving and milling, site work, excavation, culvert installation, etc. for highways, streets, parking lots, and the like.

4. I am the custodian of records for Central.

5. Central was served with a subpoena for production of documents by Gate City Bank in the above-titled bankruptcy case. The subpoena requested documentation as to invoices and field tickets submitted by Stark Energy, Inc. to Central and payments made to Stark Energy, Inc. for 2023-2024. In response to that subpoena, Central provided copies of Stark Energy, Inc.'s submitted Tickets for payment attached hereto as Exhibit A.

6. I submit this Declaration in support of the records attached as Exhibit A which were provided in response to Gate City's Subpoena.

7. The attached records attached as Exhibit A were made at or near the time of the events set forth therein by people with knowledge of those matters.

8. It is Central's standard practice to require drivers to identify the truck number and trailer type that are used in transporting aggregate or asphalt for Central, for Central's Records

9. It is the regular practice of business activity to make and keep such records attached as Exhibit A.

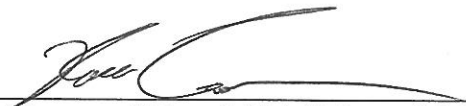

The records attached as Exhibit A were kept in the regular course of business activity.

10. I certify under penalty of perjury that the foregoing is true and correct.

Dated this second day of July, 2024.
